

FIRM HISTORY

Avanath Capital Management, LLC was founded in 2008 with the goal of being the preeminent investment firm in affordable multifamily housing, urban real estate, and commercial / multifamily mortgage investments.

The vision for the firm reflects the philosophy and track record of its founder, Daryl J. Carter, who successfully founded and built another investment firm from a start-up to an entity with \$7 billion in assets under management. This vision was shared by the other founding principals of the firm — Jun Sakumoto, Alan Parkin, Ellen Guccione, and Ben Finley — all long time colleagues of Mr. Carter at his previous enterprise. The initial management team was later enhanced by the additions of Ron Juskiewicz, CFO and John Williams, President and CIO.
